10

**Slit LVL**

**Inspection**

**Export**

TN Phu Tho Joint Stock Company owned a professional team having more than 10-year experience in managing , organizing loading, transportation, and export documentation. We collaborate with specialists across Vietnam through our extensive partner network. Our expertise in handling LC allows us to prepare LC documents in an average of just 5 days. Our containers 40 are consistently loaded directly at our plywood mill. By handling thousands of containers annually, TN gains access to the best market rates and shipping conditions, enabling us to provide customers with optimal service and cost efficiency.
